

Gathering on the Green Children's Village

Saturday, July 14, 2012

Noon-4pm

Mequon Rotary Park

Gathering on the Green is a weekend performing arts festival in Mequon that provides arts programming for families as part of the festival.

Each year, we have a Children's Village where local groups provide interactive displays for kids. For example, the Wisconsin Conservatory of Music hosts an 'instrument petting zoo' where kids can try out youth-sized violins or the Ozaukee County Humane Society that brings puppies for the kids to play with.

We would like to invite you to participate in next year's Children's Village -- the activity is up to you just as long as it is something fun and interactive for kids 12 and under to enjoy in an outdoor setting.

Several thousand people attend Gathering on the Green each year (children 12 and under are free) and we hope you'll consider joining us. There is no cost to set up a display/activity and you're welcome to distribute promotional materials at your table &/or provide additional materials to be included in our 3,000 program bags. Your participation will also be included on the Gathering on the Green website, in emails and on promotional mailers (space permitting).
